Happy New Year!

NEMR ADDS NEW CHANNEL 17 "GRIT" ~ WHO 13 COMES OFF

NEMR TV is happy to announce the addition of a new channel 17 called "GRIT". GRIT carries a line up of old western movies and popular shows from the past. We think you will really enjoy it! For more information about GRIT, go to their website at GRITtv.com.

NEMR TV has finished up it's negotiations with the major network outlets such as ABC, CBS, FOX, and NBC. These negotiations take place every three years. The affiliate owners have once again raised their rates enormously to NEMR in a negotiation process that boils down to "take it or leave it" for NEMR. At some point, NEMR has to make hard choices as it tries to contain the cost of the out of control content rates for our customers. With this in mind, NEMR was not able to come to an agreement with "WHO" NBC out of Des Moines, Iowa. NEMR will still carry the NBC stations from Quincy and Kansas City. Thank you.

Please note that you have a right under federal law to tell us that you do not want us to use your CPNI data, and we will honor your wishes. To restrict the use of your CPNI data, you must call the business office at (660) 874-4111 during regular business hours or email us at admin@nemr.net, or notify us in person at 718 S West St, Green City, MO to request that we not utilize your CPNI data.

Above all, please note that when you tell us not to use your CPNI, that denial will not affect the provision of any services by NEMR to which you subscribe. We will contact you no less than every 24 months in order to provide this notice again to remind you of your options. Your approval or denial of approval for the use of CPNI, however, will remain valid until you revoke or limit that approval or denial.

DO-NOT-CALL NOTIFICATION

The Federal Communication Commission (FCC) and Federal Trade Commission (FTC) are now sharing responsibility for enforcing the National Do-Not-Call list. The FCC now requires all telecommunications carriers that provide Local Exchange Service to notify their subscribers of their rights as they relate to the Do-Not-Call rules. You have the right to give or revoke an objection to receiving telephone solicitations. To register or revoke your registration, please call 1-888-382-1222 (TTY 1-866-290-4236) or via the Internet at www.donotcall.gov.

The national registry prevents telephone solicitations made for commercial purposes only, and will not prevent telephone solicitations made by a tax-exempt nonprofit organization, for example, for charitable or political purposes. Also, the registry will not prevent calls from companies with whom you may have an established business relationship.

The FCC has defined and established business relationship as one in which the consumer has "a prior or existing relationship" with a company that is formed voluntarily through communications between the company and the consumer on the basis of a purchase or transaction regarding products or services within eighteen (18) months immediately preceding a telephone solicitation, and which has not been previously terminated by either the consumer or the company. Such an established business relationship also exists on the basis of a consumer inquiry regarding a company's products or services within three (3) months immediately preceding the date of a telephone solicitation and which has not been previously terminated by either the consumer or the company.

Several good applications were received last year and your chances of receiving this scholarship are very good.

The FRS was established in 1994 with its mission being to promote and enhance the quality of life in rural America with education being one of its main focuses.

FRS is an affiliate of the National Telephone Cooperative Association (NTCA), an Arlington, VA based trade organization of independent telephone companies and co-ops from across the country.

To be eligible you must meet all the following criteria:

1. Be a graduating high school senior.
2. Receive your local telephone service from NEMR Telecom.
3. Be enrolled (next year) in an accredited two-year or four-year college, university or vocational technical school.
4. Have at least a C grade point average.

Your completed application should be sent directly to our business office and must be received by us no later than February 17th. Applications received after that date will not be accepted. If you have any questions, please call our office at 874-4111 and ask for Tammy.
