College Scholarship Program

NEMR Telecom is pleased to announce our continued participation in the Foundation for Rural Services (FRS) Scholarship Program. FRS awards a one-time \$2,500 scholarship to students from rural America for their first year of college, university or vocational-technical school. Should a 857-4445 student from our service area be selected to receive one of the scholarships (\$2,000 each), we will contribute an additional \$500 to the scholarship, bringing the total one-time scholarship award to \$2,500. The FRS College Scholarship Program seeks to encourage students to return to their rural communities upon completing their education.

FRS is an affiliate of the National Telephone Cooperative Association (NTCA), an Arlington, VA based trade organization of independent telephone companies and co-ops from across the country.

To be eligible you must meet all the following criteria:

1. Be a graduating high school senior.
2. Receive your local telephone service from NEMR Telecom.
3. Be enrolled (next year) in an accredited two-year or four-year college, university or vocational technical school.
4. Have at least a C grade point average.
5. Submit completed application with essay.
6. Express an interest to work in a rural community following graduation.
7. Be sponsored by NEMR Telecom.

Applications are available through your high school counselor, from our business office or at FRS's web site, www.frs.org.

Your completed application should be sent directly to our business office and must be received by us no later than February 15th. Applications received after that date will not be accepted. If you have any questions, please call our office at 874-4111 and ask for Justin.

TECH TIP

How To Pick An Internet Plan:

How many internet-connected devices do you have in the home? *The more devices, the higher the internet speed needs to be. Call NEMR Telecom.*

What are your internet performance expectations?
Want it now? Speed up!

3Mbps-\$31.95
6 Mbps-\$34.95
12 Mbps-\$39.95
30/30 Mbps-\$49.95
50/50 Mbps-\$69.95

NEMR
Telecom

Do family members or guests complain about your internet connection? *It's not your internet provider. It's your internet plan. You may need to bump it up.*

I'll play with flowers now but in the future I want high speed internet and one of those smart phones.

12 Mbps only \$39.95

Keep up with the con artists

Crooks use clever schemes to defraud millions of people every year. They often combine sophisticated technology with 766-2529 age-old tricks to get people to send money or give out personal information. They add new twists to old schemes and pressure people to make important decisions on the spot. One thing that never changes: they follow the headlines — and the money.

Stay a step ahead with the latest info and practical tips from the nation's consumer protection agency.

TV TIP

Did you accidentally push the Input button on your NEMR TV remote control?

This will put your TV on a different source.

How to get back to the TV source:

- Push the TV button on the top left of remote.
- Push the Input button on the bottom left until you find the source your nemr tv is plugged into and click on that source.
Example: HDMI 1-HDMI 2-Componet
- Push the STB button in the top right of the remote and you can now change channels.
